

Block 230 - 1723662

Access: From the town of Keremeos (town center) drive approximately 4.3 km west on highway 3 and turn left at Red Bridge onto Ashnola Rd. Continue for another 10.4 km to the end of the paved road to the 0 km board of the Ashnola FSR. Continue on the Ashnola FSR to approximately 39 km and stay right, at the 44 km board stay right and continue onto the Duruisseau FSR. Continue on the Duruisseau FSR until the 55km board, at which point go left at the fork to access the opening. The in-block road is grown over with some grass and shrubs but is still truck accessible.

5.6 ha - Plant spring/summer 2021 Pli70% Sx20% Lw10% at 1,700 sph with 2+0 PSB 410 stock
Reduce minimum inter-tree spacing down to 1.0m, as required, to attain target stocking standard
BEC - ESSFxc1
Lat / Long - 49.19.16 / 120.21.14
Elevation - 1900-2000
