Please note that the contractor may feel that Helicopter is warranted to plant some or all of these blocks. This cost will be at the contractors expense and including in bid price/tree.

*minimum planted plus well-spaced naturals and unplantable spots

**Total Seedlings is an ESTIMATED number for the block (this number may fluctuate up or down).

***This is an all-found rate to be included in the price per tree, including but not limited to: tree planting, tranportation of seedlings from reefer, Danger Tree Assessments and felling, no-work-zone marking.
