

# Schedule E

## Safety Conditions

File: **PL21FOR002**

Attachment to the Agreement with **contractor name** for **DANGER TREE ASSESSMENT AND TREE PLANTING – ELEPHANT HILLS FIRE**

Terms such as “employer”, “supervisor”, “multiple employer workplace”, “owner”, “prime contractor”, and “worker” have the meanings given those terms under the *Workers’ Compensation Act (WC Act)* and its regulation.

### ARTICLE 1 OTHER SAFETY CONSIDERATIONS

#### Notice of Project

- 1.01 Where a Notice of Project is required as set out in the *WC Act* and its regulations, the Contractor, unless otherwise notified in writing by the Company or the Prime Contractor, must submit the Notice of Project in a format acceptable to WorkSafe BC.
- 1.02 Where the Contractor submits the Notice of Project, a copy must be provided to the Company. Where the Company or Prime Contractor will submit the Notice of Project, the Contractor must provide, upon request, all information necessary to support the Notice of Project and the Contractor will be provided with a copy of the Notice of Project.
- 1.03 The Contractor will commence and conduct all operations consistently with the Notice of Project.

#### Reporting

- 1.04 The Contractor must immediately submit written notice to the Company on all matters reported to WorkSafe BC by the Contractor or the Contractor’s Subcontractors. The written notice must include all information necessary to allow the Company to adequately collect and address safety or other related incidences, and will be anonymized so as not to include personal information about an identifiable individual including their name, address, telephone number, age, sex, race, religion, sexual orientation, disability, fingerprints, or blood type, health care, educational, financial or employment history and anyone else’s opinion about the individual. This scope does not include business contact information (e.g., name, title, address, telephone or fax numbers or email address used for business contact purposes).
- 1.05 Where a Party brings safety concerns to the attention of the other Party, the Party will give full consideration to the issues raised. Where the Contractor receives safety concerns from the Company, the Contractor will provide the Company with a considered response, including any information necessary to demonstrate that the Contractor is in compliance with *WC Act* and its regulations.
- 1.06 Upon the Company’s request, the Contractor or any of its Subcontractors must provide evidence to the satisfaction of the Company that the Contractor or its Subcontractor(s) has:
  - (a) an effective business process in place to:
    - i) remedy any workplace conditions that are hazardous to the health or safety of the employer’s workers including safe work practices and procedures;
    - ii) ensure that the employer’s workers:
      - A. are made aware of all known or reasonably foreseeable health or safety hazards to which they are likely to be exposed by their work;

- B. are made aware of their rights and duties under the *WC Act* and its regulations.
- (b) established occupational health and safety policies and programs in accordance with the regulations, which includes:
- i) first aid assessment and provision services and equipment;
  - ii) an employee monitoring system that will periodically ensure the well being of all workers working alone or in isolation;
  - iii) accident injury reporting and investigation;
  - iv) an emergency response plan and employee understanding of said plan that will ensure adequate and timely response to any emergency that can be reasonably expected to occur in relation to the Works or Services being performed;
  - v) evidence of training and any required certifications required under *WC Act* or its regulations;
  - vi) evidence of a maintenance program for all equipment and vehicles owned or operated by the Contractor or its Subcontractors commensurate with the risks associated with such equipment and vehicles;
  - vii) provision for the regular inspection of premises, work methods and work practices; and
  - viii) provision by the employer for the instruction and supervision of workers including orientation of workers in the safe performance of their work.
- (c) provided and maintained in good condition protective equipment, devices, and clothing as required by the *Occupational Health and Safety Regulation* and ensure that these are used by the employer's workers;
- (d) provided the employer's workers all information, instruction, training, and supervision necessary to ensure the health and safety of those workers in carrying out their work and to ensure the health and safety of other workers at the workplace;
- (e) a copy of the *WC Act* and its regulations readily available for review by the employer's workers and, at each workplace where workers of the employer are regularly employed, post and keep posted a notice advising where the copy is available for review.

## **ARTICLE 2 PRIME CONTRACTOR PROVISIONS**

2.01 The Contractor acknowledges, agrees, and warrants that:

- (a) The Contractor will be considered to be the Prime Contractor and shall enter into a Prime Contractor Agreement with the Company and shall carry out the duties described therein, where any of the following conditions exist:
- (i) the Company gave notice that the Successful Bidder would be the Prime Contractor;
  - (ii) the Company designates the Contractor to be the Prime Contractor at any time during the performance of the Work or Services;
  - (iii) the Contractor creates a multiple employer workplace through subcontracting any of the Work or Service at any time.

2.02 Where the Contractor is being considered as the Prime Contractor as per clause 2.01, the following is applicable:

- (a) upon request, the Contractor must satisfy the Company that the Contractor has the experience and capacity to address Prime Contractor responsibilities in accordance with the Agreement and the *WC Act* and its regulations; and
- (b) the Company provides written acknowledgement of the Contractor's experience and capacity to function as Prime Contractor; and
- (c) where the Contractor creates a multiple employer workplace, the Contractor will provide or acquire at their own expense all resources necessary to discharge the Prime Contractor responsibilities; or
- (d) the Company may, in its sole discretion, give consideration for compensation related to any

additional costs where, after commencement of the work, the Company creates a multiple employer workplace and designates the Contractor to be the Prime Contractor.

- 2.03 The Company may from time to time give prior written notice that a person other than the Contractor is designated as the Prime Contractor. The Contractor agrees that on receiving such written notice, the Contractor will cooperate with the Prime Contractor and shall coordinate health and safety activities and ensure compliance with the Prime Contractor's safety program.
- 2.04 The Contractor shall, upon becoming aware of any apparent deficiencies in the Prime Contractor's work which would affect the Work or Services, shall report such deficiencies in writing to the Company Representative.

### **ARTICLE 3 HAND FALLING**

- 3.01 Where hand falling activity will be taking place under the Agreement and without limiting any other provision of the Agreement or the Contract Documents, the Contractor shall comply with the following safety requirements.
- 3.02 Hand falling means the falling of trees by any means with at least one person at or near the base of the tree during falling and not inside a protected cab, where the trees are greater than 6 inches diameter at 12 inch stump height, or as may be determined by WorkSafe BC.
- 3.03 The Contractor must ensure that:
  - (a) all hand falling is undertaken by fallers certified by BC Forest Safety Council (BCFSC) or ENFORM and are qualified for the slope and timber conditions being addressed;
  - (b) a qualified Falling Supervisor satisfactory to the Company is designated for all forestry related hand falling activities and for all non-forestry related hand falling activities taking place.
- 3.04 A Falling Supervisor will be deemed qualified where:
  - (a) it has satisfactorily completed the BCFSC Falling Supervisor Training course; or
  - (b) it is BCFSC Falling Supervisor Certified; or
  - (c) in the Company's sole opinion, evidence of qualifications/certifications and proficiency for the timber and slope for the Work Area and competency to discharge the expectations of a falling supervisor is satisfactory.
- 3.05 No hand falling operations will commence without the Company's prior satisfaction of acceptable proof of qualification/certification and of the Falling Supervisor's ability and competence.
- 3.06 The Contractor must, at least five Work Days prior to commencement of any hand falling operations, notify the Company Representative of the name of the designated Falling Supervisor or substitution thereof.
- 3.07 A Falling Plan must be developed with full engagement by the Falling Supervisor in collaboration with Hand Falling personnel and others responsible to discharge aspects of the falling plan.
- 3.08 The Contractor must ensure:
  - (a) no work will commence prior to all considerations of the Falling Plan being implemented as established by the designated Falling Supervisor;
  - (b) all hand falling operations performed occur and are supported in accordance with the Falling Plan; and
  - (c) upon request of the Company representative, provide any documents and evidence to verify adherence to the Falling Plan.
- 3.09 If the Contractor engages a subcontractor as its Falling Supervisor, the Contractor shall not be relieved from the subcontracted obligations or any obligations under this Agreement.
