- 13.4 Where a Bidder submits multiple revisions to the Tender, each successive revision will nullify and replace any previous revisions unless the Bidder numbers each revision sequentially and states on each new revision, that the new revision does not nullify previous revisions.

- 16.5 If more than one tender is received from the same bidder, the last tender received, as determined by the Company, will be the only tender considered.
- 16.6 The lowest or any other tender will not necessarily be accepted. The Company reserves the right to:

- 16.7 If a bid price is incomplete, contains an omission, does not fairly represent proper compensation for an item of work to be done, or fails to provide an accurate total price, the Company may disqualify the Tender.
- 16.8 If the Tender indicates the requirement for a Total Bid Price or a Total Estimated Bid Price on a unit-priced based tender, this is for evaluation purposes only and the unit rates shall take precedence for the Contract. The Company will rank submitted tenders from lowest priced to highest priced based on the Total Bid Price or the Total Estimated Bid Price stated on each tender. The Company will:
- (a) check each extended amount (**the 'Extended Amount'**) on the lowest priced Tender to ensure it is the correct product of the quantity and the price per unit (**the 'Price Per Unit'**); and,
 - (b) check the Total Bid Price or the Total Estimated Bid Price to ensure it is the correct sum of the Extended Amount.

Where the Extended Amount or the Total Bid Price or the Total Estimated Bid Price of the lowest priced Tender is incorrect, the Company will:

- (c) for each and every incorrect Extended Amount, recalculate the incorrect Extended Amount by using the Bidder's Price Per Unit entered on the Tender; and,
- (d) will recalculate the Total Bid Price or the Total Estimated Bid Price on the Tender using the corrected Extended Amounts; and,
- (e) where the Total Bid Price or the Total Estimated Bid Price is no longer the lowest ranked Tender the Company will put the Tender to one side as a remaining tender; and,
- (f) The Company will then apply these conditions to the next lowest ranked Tender to the extent necessary until a Tender with the lowest price is finally determined.
